Public lottery for openings and the waitlist (if needed)

Applications received after the deadlines, will be date stamped upon receipt. Auditions for those applicants will begin when there are openings after the lottery that is held on April 11, 2025.

Lottery

If CASA has more accepted applicants than available seats, representatives from the school will randomly select students from among a qualified, accepted group, using a public lottery. After all seats have been filled, the remaining students will be placed on a waiting list in the order in which they were drawn (from the pool of accepted applicants received before the deadlines). Any student who auditioned and was accepted after the deadline will be added to the waiting list in the order in which their application was received.

The lottery will be open to the public and the school will notify all applicants of the time and place of the lottery, to be held if needed.

Harrisburg School District students and siblings of current students receive first preference.

Order of the drawing – Grade 12, 11, 10, 9, by discipline – for example – the drawing for grade 12 music, etc.
