SUBJECT: CASA Charter School End of Year Performances

The End of Year Performances for the 2022-2023 school year will be held at Whitaker Center for Science and the Arts and the West Shore Theatre.

Attendance and participation at practices and performances are mandatory and will be calculated into every student's final grade. All students are expected to be on time and display appropriate performance etiquette at each event. Along with that, they are required to help strike the theatre and return all school-owned materials to CASA after the final performance.

We are excited to show you what the students have been working on this year!
