

# Q4 CAOLA Benchmarks

**Benchmarks will be checked by your assigned CAOLA monitor on the dates listed below. Edison courses will be checked weekly. eDynamic courses will be checked and use the Calendar feature to determine progress. If you are at the pacing percentage listed next to the date on the chart AND have a minimum grade of 70% at the time, you will receive one (1) percentage point added to your final grade at the end of the quarter and/or semester. If you do not meet the benchmark, you will not be penalized, but cannot have another chance to earn that benchmark. You can attempt to earn the next benchmark point on the next date.**
