Lottery

If CASA has more accepted applicants than available spaces, we will randomly select students from among a qualified, accepted group, using a public lottery. After all spaces have been filled, the students are placed on a wait list in the order in which they were drawn (from the pool of accepted applicants received before the deadline of January 29, 2021). Any student auditioned and accepted after the deadline of January 29, 2021 will be added to the wait list in the order in which their application was received.

The lottery will be open to the public and the school will notify all applicants of the time and place of the lottery, if needed.

Harrisburg School District students and siblings of current students receive first preference.

Order of drawing– Grade 12, 11, 10, 9 by discipline – for example – The drawing for 12th grade music, etc.
