

Memo

DATE: February 9, 2021
SUBJECT: Graduation 2021
TO: Students / Parents / Guardians
FROM: Timothy Wendling, CEO/Principal

CASA's graduation date has been changed from Thursday, June 10, 2021 to **Wednesday, June 9, 2021**.

The original plan was to hold the graduation ceremony at The State Museum. Unfortunately, due to the pandemic, The State Museum cannot commit to hosting us at this time. Thankfully, Whitaker Center is able to host us on **Wednesday, June 9, 2021**, which is why we moved the ceremony up one day. Graduation will begin at 6:30 p.m. More details regarding tickets and seating accommodations will be released as more information becomes available.

Thank you!
