

Memo

DATE: April 16, 2021
SUBJECT: Schedule through June 11, 2021
TO: Parents / Guardians
FROM: Timothy Wendling, CEO/Principal

Below you will find important information regarding the schedule as we move forward through the last marking period. We will continue operating using the hybrid instructional delivery model for the remainder of this school year. During typical weeks, when following the hybrid schedule, students in grades 9 and 10 will report for in-person instruction on Mondays and Tuesdays, and students in grades 11 and 12 will report for in-person instruction on Thursdays and Fridays. The days that students are not present in school, they will be engaged in virtual learning activities.

Because of Federal and State mandates, CASA must administer the Keystone Exams. To continue adhering to health and safety guidelines, the schedule from May 17 through June 11 will be complicated. An overview is listed below. Specific details will be sent out at a later date. If you have any questions, please do not hesitate to call the main office at 717-732-8450.
