

Memo

DATE: September 9, 2020
SUBJECT: Virtual Open House
TO: Parents / Guardians
FROM: Timothy Wendling, CEO/Principal

We are already in week two of school and it has been wonderful seeing all of our students again! Everyone has been doing a great job adhering to the safety guidelines in place. These guidelines are necessary for us to continue providing in-person instruction.

As stated in our Health and Safety Plan, CASA is currently not permitting visitors on campus. As much as we would love to show off our new academic space, our art classrooms, and our amazing staff, we must continue to keep safety as the guiding principle for all of our decisions. The Back to School Night scheduled for Thursday, September 17, 2020, will now be a virtual event.

Each teacher and staff member will create a video that will provide highlights from their class, including curriculum, materials needed, etc. Links to the videos will be listed on the front page of the CASA website (www.casa-arts.org) beginning on Thursday evening, September 17, 2020. The videos will be available for one week so families can view them any time between Thursday evening, September 17, 2020, and Thursday evening, September 24, 2020. We invite you to email any of our teachers with questions after viewing their video.

Thank you for your continued support of CASA Charter School. If you have any questions, please call 717-732-8450.
