**2020-2021 CASA Virtual Opportunity**

Please complete the information below if you are interested in CASA’s 100% virtual option for the start of the 2020-2021 school year.

Students who commit to the asynchronous virtual learning format must do so for at least a full marking period (45 days). After each marking period, students will have an opportunity to re-join in-person learning, or continue with the virtual learning option.

Please email this form to Vicki Chambers at [vchambers@casa-arts.org](mailto:vchambers@casa-arts.org).

If you have questions about our virtual option, please contact

Amanda Rhinehart at [arhinehart@casa-arts.org](mailto:arhinehart@casa-arts.org).
